

OVERDRAFT COVERAGE OPTIONS: OVERDRAFT PROTECTION AND OVERDRAFT PRIVILEGE

Oxford FCU understands that unexpected overdrafts occur from time to time – Overdraft Coverage can help.

Overdraft Coverage Options

The choice is yours. Consider these ways to cover overdrafts:

Service	Cost
Overdraft Protection link to your Main Share Account at Oxford FCU ¹	\$0.00 per transfer
Overdraft Protection Line of Credit ^{1,2}	Subject to fees + interest
Overdraft Privilege Standard or Extended Coverage	\$25 Overdraft Fee per item presented*

¹Call us at 800-991-9219 or come by a branch to sign up or apply for these service(s);

²Subject to credit approval. Business Accounts not eligible for Overdraft Protection Line of Credit.

*** Per item presented means each time an item is presented, including re-presentation**

Overdraft Protection applies to all transactions and may help prevent overdrafts by automatically transferring funds to your checking account from your main share account or an Overdraft Protection line of credit you may have at Oxford FCU for a fee or finance charge. Please note that overdraft lines of credit are subject to credit approval.

Overdraft Privilege allows you to overdraw your account up to the disclosed limit for a fee to pay a transaction. Even if you have Overdraft Protection, Overdraft Privilege is still available as secondary coverage if the other protection source is exhausted. Please review **What Else You Should Know** for other important information.

WHAT ELSE YOU SHOULD KNOW

- A link to a share (savings) account or line of credit may be less expensive than an overdraft. A single larger overdraft will result in one fee, instead of multiple smaller overdrafts. Use our mobile, digital banking and telephone banking services to track your balance. For financial education resources, please visit www.mymoney.gov.
- The \$25 Overdraft Fee that is charged if you overdraw your account is the same fee that is charged if an item is returned as unpaid. If multiple items overdraw your account on the same day, each item will be assessed an appropriate Overdraft Fee or a Return Fee of \$25. All fees and charges will be included as part of the Overdraft Privilege limit amount. Your account may become overdrawn more than the Overdraft Privilege limit amount because of a fee.
- For consumer accounts, there is no limit on the total Overdraft Fees per day we will charge. These exceptions do not apply to business accounts.
- Recipients of federal or state benefits payments who do not wish us to deduct the amount overdrawn and the Overdraft Fee from funds that you deposit or that are deposited into your account may call us at 800-991-9219 to discontinue Overdraft Privilege.
- If an item is returned because the Available Balance (as defined below) in your account is not sufficient to cover the item and the item is presented for payment again, Oxford FCU ("We") will charge a Return Fee each time we return the item because it exceeds the Available Balance in your account. Because we may charge a Return Fee each time an item is presented, **we may charge you more than one fee for any given item as a result of a returned item and re-presentation of the item.** When we charge a Return Fee, the charge reduces the Available Balance in your account and may put your account into (or further into) overdraft. If, on re-presentation of the item, the Available Balance in your account is sufficient to cover the item we may pay the item, and, if payment causes an overdraft, charge an Overdraft Fee. We may use the terms "item" and "transaction" interchangeably.
- This describes the posting order for purposes of determining overdrafts. Our general policy is to post items throughout the day and to post ACH credits before debits. ATM, ACH and debit card transactions are posted from lowest to highest dollar amount (or in the order in which the items are received), while paper checks are posted in check number order (or lowest to highest dollar amount); however, because of the many ways we allow you to access your account, the posting order of individual items may differ from these general policies. Holds on funds (described herein) and the order in which transactions are posted may impact the total amount of Overdraft Fees or Return Fees assessed.
- Overdraft Privilege is not a line of credit; it is a discretionary overdraft service that can be withdrawn at any time without prior notice.
- Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all overdraft and fee amounts, as described in the Membership Agreement and Disclosure. The total (negative) balance, including all fees and charges, is due and payable upon demand.
- We may be obligated to pay some debit card transactions that are not authorized through the payment system but which we are required to pay due to the payment system rules, and as a result you may incur fees if such transactions overdraw your account. However, we will not authorize debit card or ATM transactions unless your account's Available Balance (including Overdraft Coverage Options) is sufficient to cover the transactions and any fee(s).
- Giving us your consent to pay everyday debit card and ATM overdrafts on your consumer account (Extended Coverage) may result in you incurring Overdraft Fees for transactions that we would otherwise be required to pay without assessing an Overdraft Fee. However, this would allow us to authorize transactions up to the amount of your Overdraft Privilege limit. If you consent to Extended Coverage on your consumer account, it will remain on your account until it is otherwise withdrawn.

Understanding your Available Balance: Your account has two kinds of balances: the Ledger Balance and the Available Balance.

- We authorize and pay transactions using the Available Balance.
- Your Ledger Balance reflects the full amount of all deposits to your account as well as payment transactions that have been posted to your account. It does not reflect checks you have written and are still outstanding or transactions that have been authorized but are still pending.
- Your Available Balance is the amount available to you to use for purchases, withdrawals, or to cover transactions. The Available Balance is your Ledger Balance, less any holds due to pending debit card transactions and holds on deposited funds.
- The balance used for authorizing checks, ACH items, and recurring debit card transactions is your Available Balance plus the amount of the Overdraft Privilege limit and any available Overdraft Protection.
- The balance used for authorizing ATM and everyday debit card transactions on accounts with Standard Coverage is your Available Balance plus any available Overdraft Protection but does NOT include the Overdraft Privilege limit.
- The balance used for authorizing ATM and everyday debit card transactions on accounts with Extended Coverage is your Available Balance plus any available Overdraft Protection and includes the Overdraft Privilege limit.
- Because your Available Balance reflects pending transactions and debit holds, your balance may appear to cover a transaction but later upon settlement it may not be sufficient to cover such transaction. In such cases, the transaction may further overdraw your account and be subject to additional overdraft fees. You should assume that any item which would overdraw your account based on your Available Balance may create an overdraft. Note that we may place a hold on deposited funds in accordance with our Membership Agreement and Disclosure, which will reduce the amount in your Available Balance.
- Please be aware that the Overdraft Privilege amount is not included in your Available Balance provided through digital banking, mobile banking or Oxford FCU's ATMs.
- We will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. When the hold ends, the funds will be added to the Available Balance in your account. If your account is overdrawn after the held funds are added to the Available Balance and the transaction is posted to the Available Balance, an Overdraft Fee may be assessed.

- Except as described herein, we will not pay items if the Available Balance in your account (including the Overdraft Privilege limit, if applicable) is not sufficient to cover the item(s) and the amount of any fee(s).

Understanding Overdraft Privilege Limits

- An Overdraft Privilege limit of \$500 will be granted to eligible Consumer Checking accounts at account opening in good standing.
- An Overdraft Privilege limit of \$500 will be granted to eligible Business Checking accounts at account opening in good standing.
- Overdraft Privilege may be suspended if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within 35 days for a minimum of one business day. You must bring your account balance positive for at least one business day to have the full Overdraft Privilege limit reinstated.

WHAT YOU NEED TO KNOW ABOUT OVERDRAFTS AND OVERDRAFT FEES

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in two different ways:

1. We have standard overdraft practices that come with your account.
2. We also offer overdraft protection plans, such as a link to a Main Share account or a line of credit, which may be less costly than our standard overdraft practices. To learn more, ask us about these plans.

This notice explains our standard overdraft practices.

➤ **What are the standard overdraft practices that come with my account?**

We do authorize and pay overdrafts for the following types of transactions:

- Checks and other transactions made using your checking account number
- Automatic bill payments

We will not authorize and pay overdrafts for the following types of transactions without your consent.

- ATM transactions
- Everyday debit card transactions

We pay overdrafts at our discretion, which means we **do not guarantee** that we will always authorize and pay any type of transaction. **If we do not** authorize and pay an overdraft, your **transaction will be declined**.

➤ **What fees will I be charged if Oxford FCU pays my overdraft?**

Under our standard overdraft practices:

- We will charge you a fee of up to **\$25** each time we pay an overdraft
- **There is no limit** per day on the total fees we can charge you for overdrawing your account
