## ELLEN PARENT | BOARD MEMBER

A resident of Augusta, Ellen Parent serves as the Deputy Director of the Maine Forest Products Council. She holds a bachelor's degree in economics from Saint Michael's College in Vermont, a Juris Doctor from the University of Maine School of Law, and a 12-credit certificate in Financial Services Compliance from Boston University's School of Law. Though she grew up in Orono, she has a special love for western Maine as her father's family has been in the River Valley for over 100 years and her grandmother taught in Rumford schools for 40 years. In her spare time, Ellen coaches high school speech and debate and loves swimming in Howard Pond in Hanover.

## REBECCA ULMER | ASSOCIATE BOARD MEMBER

Rebecca has been an OFCU Board member for two years. She is retired from a long career in the medical field in Maine, and has worked as a 911 telecommunicator and court reporter in Florida. Since moving back to her hometown area, Rebecca always looks forward to volunteer opportunities in the River Valley.

## BEN CHRISTOPHER | NOMINEE

Ben is the owner/managing partner of Mainely Provisions in Bethel. He grew up in the Farmington area and has been an OFCU member for two years. Ben is looking forward to serving as a volunteer board member because he strongly believes that the support community-based credit unions offer local families is important. He brings experience in financial oversight and strategic planning to the board of directors. Ben's hobbies include skiing, golfing and camping - generally anything outdoor-related.
