OXFORD FEDERAL CREDIT UNION NAMED A BEST PLACE TO WORK IN MAINE

[MEXICO, ME, September 5, 2025] Oxford Federal Credit Union was recently named as one of the 2025 Best Places to Work in Maine in the small employer category. The awards program was created in 2006 and is a project of the Maine State Council of the Society for Human Resource Management, Best Companies Group and BridgeTower Media.

This statewide survey and awards program was designed to identify, recognize and honor the best places of employment in Maine, benefiting the state's economy, its workforce and businesses. Best Companies Group managed the overall registration and survey process then analyzed the data and used their expertise to determine the final rankings. The 2025 Best Places to Work in Maine list is made up of over 100 companies. The final rankings will be announced at the awards program in October.

Oxford FCU first learned about the Best Places to Work program at the Maine HR Convention in 2007 and was honored to be named that very year. "Then, we made the commitment to participate every other year to give our employees the opportunity to confidentially share their feedback through the program's survey. 2025 marks the tenth time we've earned the distinction. We are grateful for our hardworking, passionate team whose dedication makes Oxford FCU such a special place to work," said Tammy Daigle, SVP of HR/Marketing.

President & CEO Joann Bisson shared, "In our roles as leaders, we know it is our responsibility to foster a collaborative and comfortable work environment where each individual is recognized and accepted for who they are. We also know that people need the friendship of peers, and we encourage workplace comradery. We are proud of the relationships that our staff has cultivated with each other, our membership and our community as they are factors in making our credit union a Best Place to Work."
