Skipped payments do not extend the term of any credit insurance or debt protection policy you may have obtained through the credit union as part of your loan. By signing above, you authorize Oxford Federal Credit Union to extend the due date of your final loan payment by the number of skipped payments. Interest will continue to accrue on unpaid balances through skipped payment period. If your loan is covered by GAP protection, skipped or extended payments may not be covered at the time of the claim. Refer to your GAP contract for more details.
